

19" BUS BAR KIT WITH GROUNDING CABLES

SKU: STV-BUSBAR1A

19-INCH / 1U

INSTALLED IN 19-INCH CABINET

PRODUCT OVERVIEW

The STV-BUSBAR1A is a 19-inch rack-mount 1U grounding kit designed to provide a centralized protective bonding point inside network, server and industrial cabinets. The assembly combines a 10-point copper busbar with six yellow/green grounding cables and M6 rack mounting hardware. It can be installed at any available U height for orderly, reliable cabinet grounding.
